

YOU ARE INVITED

Public Forum- Wednesday September 13th, 5:30-8:00PM

Meet at Fishkill Town Hall (807 Route 52) for dinner, followed by an introduction to the site and a discussion of the past, present, and future of Glenham and Glenham Mills (the former Texaco Beacon Research Center). What is working well, what needs to be fixed, and what is needed in the future?

Site Tours- Friday, September 15th, 1:00, 2:30 or 4:00PM

Gather at the Slater Fire House (76 Old Glenham Road) for site orientation. Guided bus tours of the site will depart at 1, 2:30 and 4:00 PM.

Glenham Game Night! - Friday, September 15th, 5:30-8:00PM

Meet at the lower level of the Fishkill Town Hall for dinner, followed by an engaging table top game where you will explore potential land uses and development potential for Glenham Mills.

Public Visioning Workshop- Saturday, September 16th, 8:30AM-1:00PM

Meet at the lower level of the Fishkill Town Hall for breakfast, a recap of what we have heard so far, and inspiring examples of how similar sites were redeveloped. Then work with your friends and neighbors to create a physical model showing your vision for the future of Glenham Mills.

The charrette will be an intensive multi-day planning and design exercise leading to a vision for the future of Glenham Mills (The Former Texaco Beacon Research Center). We need your input to better understand how future development of this site will help build community while allowing productive reuse of this former industrial campus. You are welcome to attend all or any of the events listed above.

RSVP requested (but not required) to Glenhammills@chevron.com.

Fishkill residents are encouraged to attend. Please indicate which session you are interested in attending when responding
